

5 steps to prepare your back-to-school courses in T LLCER

MAKE THE MOST OF YOUR SUMMER AND...WIDEN YOUR KNOWLEDGE IN VARIOUS FIELDS... IN ENGLISH!

1

Choose a topic that you like or would like to explore. It **has to be** directly connected with the **English-speaking world**.

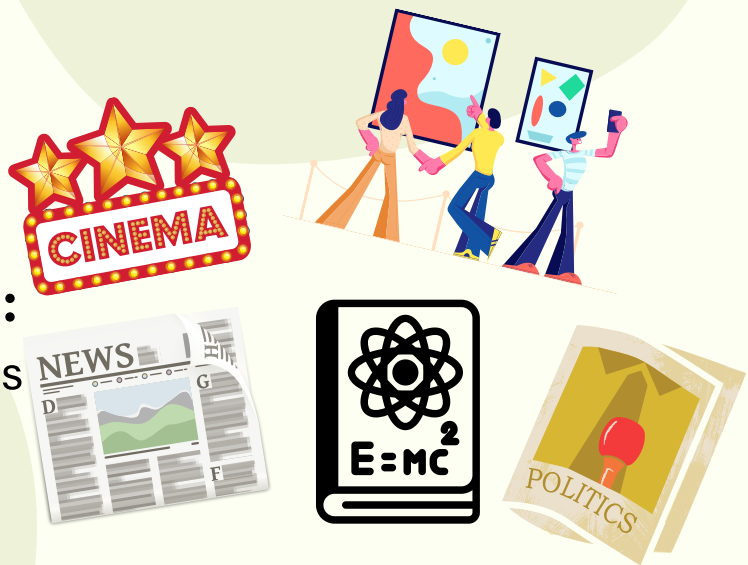

2

Collect resources *in English* to satisfy your curiosity or interests.

3

Examples of resources:

- online articles from various reliable media
- films
- museums and exhibitions
- books: novels, autobiographies, science books, art books, social or political essays, etc.

4

Decide to which main topic(s) of the curriculum you may relate your project:

- art and debates
- expression of the self and self-construction
- travelling, territories, borders

Prepare a 4 minutes' talk to share your interest with your class next **September**.

Plan to illustrate it with

(suggestions):

- a slideshow (3 to 4 slides)
or
- a short video
or
- an object
or
- a poster
• or ...
